

*\*Scan and preserve my memories*

**Do you have boxes of albums lying around or boxes of photographs?**

**You can reduce some space and save time by putting your photographs on CD.**

**Photogenix Images will scan your photos and archive your disk for safekeeping.**

**If your memories get lost in a fire, theft or natural disaster. Photogenix will have a back up copy for you.**

**We your Scan photos and will burn them to a disk- for a low rate of \$150.00 for every 200 photos**

**Preserve your memories- Photogenix always keep a copy of the disk for free for 5 years.**

**To guarantee lifetime storage there is a fee of \$100.00 for safekeeping.**

**Restore, scan and replace albums - \$300.00 for every 200 photos.**

**\*Memories and restoration is a precious and sacred job for Photogenix Images. We handle your photographs with the up most respect and care. A job this significant can take a couple of months.**
